NEW PUBLIC PORTAL OFFICIALLY LAUNCHES ON FEBRUARY 23, 2022

SAN BERNARDINO, CA— On Wednesday, February 23, 2022, San Bernardino Superior Court (SBSC) will officially launch its Court Access Portal (CAP), in order to provide stable and improved public electronic access to case information online.

All court users, including litigants and private attorneys, will need to register on CAP as a court user to obtain access to minute orders, purchase documents, and search by name. To complete the registration process, court users must visit <https://cap.sb-court.org/> and provide your name, phone number, email, and choose a password.

The existing Public Portal system will remain operational for the next 30 days only to allow for court users to register on CAP. NOTE: Traffic Payments and Document Purchasing will only be available on CAP beginning Wednesday, February 23, 2022.

Members of the public who need to pay a citation or pay for court costs and other fines can do so simply by clicking on the "[Pay My Traffic Ticket](#)" button. Court users can find further instructions, FAQs, and user tutorial videos online by February 23, 2022. While payments can still be made through the clerk's office and over the phone, SBSC highly encourages all court users to use this online payment method in order to streamline processing.

Funded through the [Trial Court Modernization Grant Funding](#) from the Judicial Council, CAP will continue to provide enhanced stability, as well as improved performance along with a host of new capabilities in the very near future as phases and improvements are launched.
