SAN BERNARDINO SUPERIOR COURT RELEASES ITS THIRD ANNUAL REPORT

SAN BERNARDINO, CA—The San Bernardino Superior Court (SBSC) has released its [2019 State of the Court](#), marking its third annual report, detailing the achievements, filing statistics, and implementation of its [Strategic Plan](#) leading into a new decade.

The Annual Report highlights the work of SBSC, including efforts related to expanding access to justice, strengthening relationships, accessible case and data management, and well-trained judicial officers and staff—the four pillars of SBSC’s [Strategic Plan](#). Highlights include various collaborations that enhance access, representation on statewide committees, transitioning onto a new case management system, and an overview of in-house training and support. Other notable features include collaborative courts, community outreach, self-help, language access, adoption day, jury services, and financial information.

“With the Annual Report, SBSC shows its continued commitment to make progress towards expanding access to justice using efficient and technologically based strategies,” said Presiding Judge Michael A. Sachs. “2020 will be a historic year for SBSC as we continue to navigate through the budgetary and operational challenges presented by the Coronavirus pandemic.”
